Date Mailed: 05/12/2005

NOTICE TO COMPLY WITH REQUIREMENTS FOR PATENT APPLICATIONS CONTAINING NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE DISCLOSURES

Filing Date Granted

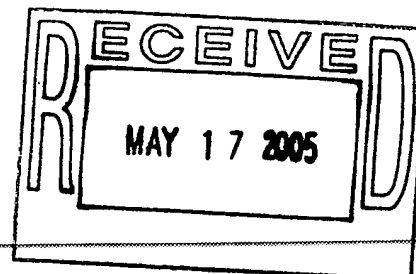

Applicant is given **TWO MONTHS FROM THE DATE OF THIS NOTICE** within which to file the items indicated below to avoid abandonment. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a).

- A copy of the "Sequence Listing" in computer readable form has not been submitted as required by 37 CFR 1.821(e). If the effective filing date is on or after September 8, 2000, see the final rulemaking notice published in the Federal Register at 65 FR 54604 (September 8, 2000) and 1238 OG 145 (September 19, 2000). Applicant must provide an initial computer readable form (CRF) copy of the "Sequence Listing" and a statement that the content of the sequence listing information recorded in computer readable form is identical to the written (on paper or compact disc) sequence listing and, where applicable, includes no new matter, as required by 37 CFR 1.821(e), 1.821(f), 1.821(g), 1.825(b), or 1.825(d). If applicant desires the sequence listing in the instant application to be identical with that of another application on file in the U.S. Patent and Trademark Office, such request in accordance with 37 CFR 1.821(e) may be submitted in lieu of a new CRF.

RESPONSE TO NOTICE TO COMPLY WITH REQUIREMENTS FOR PATENT APPLICATIONS CONTAINING NUCLEOTIDE SEQUENCE AND/OR AMINO ACID SEQUENCE DISCLOSURES

This paper is responsive to the above captioned Notice to Comply with the sequence rules at 37 CFR §§1.821-1.825, mailed on May 12, 2005. The Notice to Comply (hereinafter, "NOTICE") is believed to have been mailed by the Office in error because the Applicant filed the Application electronically using the software provided by the US Patent Office and included an electronic copy of the Sequence Listing in the electronic submission. The Applicant provides a copy of the Electronic Filing Receipt dated November 17, 2003 at 16:27:37 hours Eastern Daylight Savings Time (copy

attached hereto, hereinafter referred to as "RECEIPT")). The RECEIPT, on page 2, at the line labeled "computer-listing", clearly shows that an electronic file named "38-21-15546-13Nov2003.ST25.txt" consisting of 2893 bytes of information in size, was included along with the electronic submission for which the RECEIPT provides the Applicant with Prima Facie evidence that the USPTO received the Sequence Listing file.

Nevertheless, the Applicant herewith provides the USPTO with a 3.5 inch diskette containing a computer readable copy of the Sequence Listing as originally filed electronically on November 17, 2003, along with a paper copy of the Sequence Listing. The Computer Readable copy on 3.5 inch diskette and the Paper Copy of the Sequence Listing are the same, and do not add new matter to the specification as filed.

It is believed that, but for the USPTO's unintentional error in overlooking the fact that the Applicant properly electronically filed the computer readable copy of the Sequence Listing **and** received an electronic confirmation from the USPTO that the computer readable copy of the Sequence Listing was received by the USPTO, the Applicant would not now be required to respond to the Notice to Comply with the Sequence Rules, and therefore would not be required to submit a Petition for a Two Month Extension of Time and would therefore not need to incur the \$450 cost associated with the Petition. Therefore, it is respectfully requested that the Office waive the petition fee and enter the Applicants' response to the Notice to Comply.

In any event, the Office is authorized to deduct the required Petition fee from Monsanto Company Deposit Account No. 13-4125. In view of the anticipated granting of the Petition, it is believed therefore that this paper is timely filed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "T. Ball", written over a horizontal line.
